

Legal Notices About CommonSpirit Health® Benefits

You do not need to take action on these notices.

CommonSpirit Health is required by law to provide the following. It's provided for informational purposes only. We recommend you carefully read this document and file it in a safe place for future use, if needed. *If you have any questions or would like additional information about the benefit plans, contact your local HR representative.*

Important Information about the Notice on Health Insurance Marketplace Coverage Options

The Patient Protection and Affordable Care Act ("Affordable Care Act"), also known as health care reform, was enacted in March 2010. One of the provisions of the Affordable Care Act is the Marketplace options.

As you know, you're currently **not eligible** to participate in the CommonSpirit Health group health plan. However, you may choose to obtain health coverage through the Marketplace. Depending on your household income, you may also be eligible for a tax credit and/or premium assistance to help reduce the cost of health coverage obtained through the Marketplace.

For congregations, the Marketplace notice is available online at <http://chibenefitplans.net>. A paper copy is also available, free of charge, by contacting your local HR representative.

For COBRA participants, the Marketplace notice is available at <https://cobra.ehr.com>. You may request a paper copy by contacting BenefitConnect | COBRA at 1.877.292.6272.

You are encouraged to visit www.healthcare.gov to obtain important information that could apply to you regarding the Affordable Care Act and the Marketplace options where consumers can shop for insurance.

If you have questions, call 800.318.2596 (TTY: 855.889.4325) or visit www.healthcare.gov.

Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or dial **1.877.KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1.866.444.EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums.

The following list of states is current as of July 31, 2023.
