- The CommonSpirit Health Medical Plan for CommonSpirit Health-affiliated employees meets the minimum value standard and the cost of this coverage to you is intended to be affordable, based on employee wages.

Even if CommonSpirit Health intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [www.healthcare.gov](http://www.healthcare.gov) will guide you through the process.
